CHAIRMAN'S MESSAGE

I believe in the full potential of Qatar Trading Company to further enrich our contribution to the economy of the State of Qatar. Over the past 70 years, we have been successful in increasing our growth rate steadily and we will continue to work relentlessly to ensure that we keep that momentum going. In line with this belief as well as our vision, not only do we supply the Qatari market with premium-quality, innovative products and solutions but we also meet the after-sales requirements of our customers. QTC will always remain committed to its continuous support towards all its business partners.

Our success is built on the loyalty shown to us graciously by our customers, the confidence entrusted to us by our stakeholders and our agility in meeting the ever-evolving market demands. We take pride in our strength to withstand market challenges and our unwavering commitment to our mission and vision.

Tariq Marzooq Al Shamlan
Chairman

ABOUT QTC

Established in 1950, QTC is renowned for being the most dynamic one-stop-shop that supplies the market's demands for cleaning solutions, automotive and garage equipment, auto-spray solutions, automatic car wash systems, workshop equipment, air solutions, hand and power tools, instrumentation equipment, as well as other various innovative products and solutions.
